

SOHS News

March 2020

Intersession Week 2020 is scheduled from Monday, March 2nd through Friday, March 6th.

Intersession week is a regular week of school filled with special mini-elective classes.

During Intersession students must participate in community outreach, service learning and field education courses. Credits for these courses are based on class attendance, participation and completion of assigned projects. Intersession classes are part of the Advisory/Self-Construction grade for each student. Students who do not complete the Intersession classes will not be given credit for those classes.

Your students have received their Intersession course selections. As these classes will include daily field trips, there are permission slips that need to be completed. Please complete these forms and return them with your students as soon as you receive them.

- **April 13^h -17thSpring Break...no school !**

Coronavirus Awareness

We are currently monitoring coronavirus updates from both HUSD and CDPH (California Department of Health) to be knowledgeable of the latest information and recommendations. Rest assured that our illness prevention protocol is in place (please see our "Health Policy" in our *Family Handbook*), so that we can continue to minimize the spread of this and any other viral or bacterial infections. We also recommend the following advice from HUSD:

What families can do:

- Students should stay home when they are ill. They should remain at home until fever has been gone for at least 24 hours, without the use of fever-reducing medicines, and seek immediate medical care if symptoms become more severe (e.g., high fever or difficulty breathing);
- Wash hands frequently; and
- Use "respiratory etiquette" and cover a cough with a tissue or sleeve.

Please also visit the CDPH website for further guidance.

PROM - 2020

This year's PROM will be held on April 25, 2020 from 6:00pm-10:00pm, on a Commodore cruise ship, as it tours the San Francisco Bay. Tickets are on sale at \$100 per

SBAC TESTING

The Juniors will be participating in the annual SBAC testing, starting in March. They will be tested in English on March 18th, 24th and 25th and again on April 1st, 7th and 8th.

The Juniors will be tested in Math on May 5th, 6th, 12th and 13th and again on May 19th and 20th.

The Sophomores will be participating in the CAST (Science) testing on April 22nd and 29th.

To help make the testing process more successful, please make sure that your student arrives at school on time.
